FEES & SUBSIDIES

SMART AND SKILLED

All training subsidised by the NSW Government Smart and Skilled program is subject to students meeting eligibility requirements. Smart and Skilled provides eligible students with an entitlement to government-subsidised training up to and including Certificate III level.

SMART AND SKILLED – ELIGIBILITY CRITERIA

Students may be eligible for NSW Smart and Skilled subsidised training if they:

- are aged 15 years or older;
- are no longer at high school (your eligibility is not affected if you completed a VET course, including a school-based apprenticeship or traineeship, as part of your high school education);
- live or work in New South Wales (or are an Aboriginal or Torres Strait Islander person living in specific defined interstate NSW border areas);
- are an Australian citizen, Australian permanent resident, humanitarian visa holder or New Zealand citizen; and
- hold a valid Unique Student Identifier (USI), or have applied for one.

Eligibility requirements vary for some funding categories. Contact us for more information, or use the Skills NSW course finder and eligibility checker: https://skills.education.nsw.gov.au/.

Skills Generation is approved to provide Smart and Skilled subsidised training in specific qualifications to learners residing in specific regions.

SMART AND SKILLED – RESTRICTIONS

Your eligibility for a government-subsidised Smart and Skilled course does not depend on previous qualifications. From 2016, all students, regardless of the level of any previous qualifications held, can access subsidised Smart and Skilled training up to Certificate III level. Previous qualifications do not affect eligibility, but may affect the student fee.

SMART AND SKILLED – FEES PAYABLE

NSW apprentices are fully subsidised under Smart and Skilled, so apprentices do not pay a student fee. Fee-free apprenticeships are available to NSW apprentices, including school-based apprentices, whose training is funded under the NSW Government's Smart and Skilled program and commences on or after 1 July 2018. If you commenced your Smart and Skilled apprenticeship training before 1 July 2018 and are returning to an apprenticeship, you will be eligible for fee-free training for the remainder of your training if your apprenticeship course or your employer has changed.

Smart and Skilled also provides fee exemptions to Aboriginal and Torres Strait Islander students and to students with a disability, which means these students do not pay a fee.

Fees are set by the NSW Government and may change from time to time. The schedule of fees for each qualification can be accessed on the NSW Skills List: https://www.nsw.gov.au/education-and-training/vocational/funding/nsw-skills-list.

SMART AND SKILLED – REFUNDS

Where subsidised training is not completed, a proportion of any fee paid, corresponding to the number of unfinished units, will be refunded upon request. No refund is payable on units achieved. Refund requests will be processed within 28 days.

ABOUT FEES	The course fees specified above are fully inclusive of all learning materials, tuition costs and support services for the duration of the course. Barber kit not included.

CHANGES	If there are any changes to your enrolment or the information under which you were enrolled that affect you, we will advise you as soon as possible. This includes changes to the ownership of the academy or to any training delivery arrangement such as a third party or other services.
